PRODUCT DESCRIPTION

Sanitary bins are an essential feature in any washroom or bathroom environment for the hygienic disposal of non-flushable waste material. This robust pedal operated sanitary bin is an attractive addition that matches with the rest of our range of products.

FEATURES

- Robust, high impact, chemical resistant tough polypropylene body
- Shorter, slim and sleek design with feminine curves
- Simple robust pedal mechanism with a hinged lid
- Built in hidden liner bar for easy waste removal
- Sight cover to avoid sight of contents

BENEFITS

- Tough durable plastic body with tightly sealed lid - no odours
- Removable inner liner bar for easy plastic liner prep
- Hinged lid for quick bin refresh - no need to refit bin lid
- Can be placed on either left or right side of bin
- Convenient foot pedal operated lid - no touching for hygienic waste disposal
