★ Dimensions	290mm x 315mm x 70mm
★ Finish	Stainless steel & Mild steel powder coated
★ Capacity	18 Litres

PRODUCT DESCRIPTION

Waste bins are an essential feature in any washroom or bathroom environment for the hygienic disposal of non-flushable waste material. Our range of waste bins are an attractive and stylish addition to your washroom area. With its intergrated lid feature this bin discreetly hides unsightly liners from view.

FEATURES

- Robust, high impact, 304 ss or mild steel powder coated
- Recess punches for even space mounting
- Plugs and mounting screws included

BENEFITS

- Steel folded to the back with proper welds for a more robust body
- Steel removable frame to hold liner for easy waste removal
- Quality grade chemical resistant plastic provides durability
